

## 2024 Mid-America Regional Competition Shipment Instructions

In order to get your car and supplies to the Chem-E-Car Competition, you have two options with an exception for hazardous materials:

**ALL HAZARDOUS MATERIALS MUST BE SHIP TO THE COMPETITION in ACCORDANCE with your University and DOT/IATA regulations.**

**No Hazardous materials will be allowed to be brought in by students at competition site.**

**Please contact [achebert@uark.edu](mailto:achebert@uark.edu) and [cc\\_tlutzrec@uark.edu](mailto:cc_tlutzrec@uark.edu) if you have any questions with subject : ChemECar questions.**

### **Option 1:**

**Ship to University of Arkansas in advance using the shipping labels on next page (MUST ARRIVE BY FRIDAY, MARCH 29th - Delivery MUST be for a weekday Mon-Fri )**

- ✓ *How to send:* complete and affix the label on the next page to your box and ship with an approved vendor; teams are responsible for shipment costs and for keeping a record of any tracking numbers. Make sure you retain a copy of your tracking number.
- ✓ As applicable, follow your University's Environmental Health & Safety (or similar on-campus organization) and DOT regulations for shipping.
- ✓ *How to retrieve your boxes for competition at University of Arkansas:* coordinate with AICHE Staff to recover your box at the competition site on Friday.

Your boxes will be delivered to the competition at Barnhill Arena, Univ. of AR.

**Packages must arrive to the Univ. of AR no later than Friday, March 29th**

### **Option 2:**

**Transport your car and nonhazardous chemicals via vehicle**

- ✓ Do not store any chemicals at your hotel. You may drop them off on Friday at Barnhill before the safety check and presentations.
