Student Technical Presentation Competition

Deadlines

March 18th: Registration for Student Technical Presentation

March 18th: Abstracts due. Late submissions will be shown digitally, but not printed in the program.

Title and Abstract Submission

Your title, author list, and abstract should be submitted via google doc link, https://forms.gle/VzLowg8WAWDAXze17, prior to the deadline above. Abstracts submitted after this deadline will not be included in the program if the program has already gone to press. Please do not miss this deadline. Early submission is strongly encouraged.

Submit your title, list of authors, and abstract to Professor (UARK faculty advisor) via email before the specified deadline. Abstracts received after this deadline will not be included in the program if it has already been finalized. Ensure you do not overlook this deadline, and consider submitting your materials early for better chances of inclusion.

Limit the abstract body to approximately 1,800 characters (equivalent to around 260 words) to ensure it fits on the page. Abstracts exceeding this limit will be edited to fit.
Example of your e-mail message:
Subject: Technical Presentation Abstract
Body
Title: My abstract Title here
Author: Jean Yallou
Affiliation: University of Arkansas, Fayetteville, Arkansas
Co-Author's name: Alfredo Carrillo
Affiliation: University of Arkansas, Fayetteville, Arkansas
Abstract: The text of your abstract goes here. Limit the abstract body to approximately 1,800 characters (equivalent to around 260 words).

For formatting needs, indicate with FIXME above and below the desired change, or contact Dr. Jamie Hestekin or Jean Yallou (jy020@uakr.edu) for assistance.

Students will be asked to have any presentation materials formatted as a pptx file and downloaded onto a USB-compatable flash drive. Students may present using their own computers, if desired. An HDMI connection will be available. If you need another adapter, either bring one with you or notify us well in advance so we can secure one for you.

A backup computer will be available in the room.
