2021-2022 Experiential Learning Summary— Ralph E. Martin Department of Chemical Engineering

Name:	Student i.d.:				
e-mail:	Expected graduation date:				
Plans after graduation:					
Employment					
Accepted permanent job. Compar Seeking permanent employment. Seeking temporary employment. Had employment during May, 202 Company: Have had employment some time Company Locat	Restrictions: Co-op Internship I 0-May, 2021 Co-op	Internship Part-time			
Research					
Have research experienceREU Location of Research					
Received SURF/Honors College gra Did research during May, 2020-Ma Seeking research opportunityI	ay, 2021. Mentor:	Other			
Study Abroad					
Location	Dates	Received Travel Grant			

Summary of Experiential Learning Activities

Activity	First year	Soph year	Junior year	Senior year
Had co-op/internship/other engineering employment				
Participated in research				
Studied abroad				
Participated in WERC, EPA P3				
Other: list below				

2

University of Arkansas Ralph E. Martin Department of Chemical Engineering Fall 2021 Plan

Fall 2021 Plan ID: _____ Semester: ____ Name: "X" out the courses you have passed, or are taking; circle the classes you are planning to take HIST 2003 MATH 2554 CHEM 1103 GNEG 1111 Fine Arts ENGL 1013 Comp I Offered in Fall HIST 2013 PLSC 2003 Intro Engr I semester only PHYS 2054 CHEM 1123 Offered in MATH 2564 **GNEG 1121** ENGL 1033 Univ Chem II (CHEM 1121L) Cal II Intro Engr II Tech Comp II only year PHYS 2074 CHEM 3603 CHEG 2113 MATH 2584 U.
